Additional Gross Revenue	KES 45,000
Chitosan Cost (3L @ 2000)	KES 6,000
Net Return	KES 39,000
ROI	6.5x

Testimonial

"My cabbages grew stronger and healthier. Even after harvest, they stayed fresh. With Chitosan, I spray less but get more." **Mama Jane Wambui – Ndunyu Njeru, Kinangop – Nyandarua County.**
